To Order Your University of Louisiana at Lafayette License Plate:

1. **Ask for the University of Louisiana at Lafayette license plate when you purchase your new automobile.** Cost of the plate is \$26 above the regular vehicle registration fee charged every two years. Your automobile dealer can assist you at the time of purchase.
2. **Or exchange your existing plate for a UL Lafayette plate.** You will be given credit for your existing unexpired registration. Call the Department of Motor Vehicles at (225) 925-6364 to determine the cost of your new UL Lafayette plate. Note that if you have a USL plate and want to change to a UL Lafayette plate, DMV will issue you a replacement plate with a new number and there will be a transfer fee of \$26 or less plus prorated registration.
3. **And then send a written request to the DMV, P.O. Box 64886, Baton Rouge, LA 70896-4886,** for your UL Lafayette plate. Note in your request that: UL Lafayette (formerly the University of Southwestern Louisiana) is the benefitting university. Include a photocopy of your certificate of registration and a check made payable to the Department of Motor Vehicles for the amount determined in step 2.

All Louisiana residents may purchase a UL Lafayette plate.
Remember...\$25 of the \$26 fee benefits the UL Lafayette Alumni Association Scholarship Fund.
